Mary's Mail Bag

Text by Mary Carey

SEALED WITH A NASTY KISS!

Hey! What the fuck is up with everyone today! I'm so, so jazzed to be back with you again in another yet totally fucking fantastic issue of *SWANK*, don't you think? I think, and so does my co-partner in carnal crime the great Ron Jeremy. You think it's easy putting together an entire porno mag together each month, and making every edition better than the last one? You've got to be kidding! I used to be just like you, I would just walk over to some newsstand once a month, get a *SWANK*, take it home, and jerk off to it—never giving much thought to how much work it takes to get it to that newsstand every thirty days! Now as the co-publisher of *SWANK* I am humbled—big time! But no time for too much chit-chat today, I've got a pile of mail from you all on my desk that's starting to look like the leaning Tower of Pizza, or something like that! So let's start opening some!

Two Girls With Curls

Man alive, Mary, I almost went berserk looking at the cover of the October 2007 *SWANK*, two gorgeous hot honeys just raring to get at each other! Wow! What else can I say? I almost had to beat off right there in the middle of the convenience store I was in at the time. Mary, make me a happy man for the rest of my life, keeping putting two girls on each cover of *SWANK*—please?

Neville L. Provo, UT

MARY: What can I tell you, Neville, if one girl is good, two girls can only be better, right? Right on! My personal favorite for a *SWANK* cover is two girls as well—probably because as you all know most of my XXX career has been made up of lesbo scenes, I just love doin' the ladies! But picking a cover for *SWANK* is a much more complicated decision involved a lot of people—including my co-Publisher Ron Jeremy who seems to think it's always a good idea to put two girls on the cover as well, just so long as he is sandwiched in-between them! Anywhos, each month a whole bunch of *SWANK* staffers and execs get together and looking at hundreds of cover-photo choices, and after hours of debate we pick one. I can't say that every cover of *SWANK* will have two girls, but we will take opinions like yours into deep consideration Neville, so sooner or later, a girl-girl cover shall return!

Wants More "Wanted"

My favorite section of *SWANK* each month is your "Wanted" pages with the pix of the amateur girls getting all naked and whored-up. The October 2007 girl featured, Anna, was a perfect selection, she certainly was no porno pro, but at the same time, you could see that this dirty little young slut was enjoying every minute of her X-rated lay-out. I suggest you expand this monthly feature and perhaps include something like interviews with the girls pictured, so we can find out more about their naughty thoughts and habits.

Pedro Z. Flagstaff, AZ

MARY: Glad you like our "Wanted" department Pedro, we get a lot of positive feedback from our readers about having more so-called "non-pro's" in SWANK, and it is something we are looking at carefully. In the meantime you might want to check out one of our many sister publications like JUST 18, which has wall-to-wall girls-next-door. With SWANK in one hand, and JUST 18 in the other, you can't go wrong—although at that point you may have to learn how to masturbate with your foot! Hee! Hee!

"get their brains fucked out" and shit like that. So I figure they like to get rough-fucked. Anyways so when I get a girl in the sack and start to ram her super-hard, often they start to scream at me and tell me to fuck off, and get out of their house. So I don't get it. What's up with this shit?

So Many XXX Flicks—So Little Time

I truly dig your "Ron And Mary's X-Rated Porn Theater" each month in SWANK, indeed the reviews of the porn flicks in your October 2007 edition were especially helpful to me in making several purchases. My problem Mary is that over the years I have become literally overwhelmed with the number of X-rated videos and DVDs for sale and rent. I used to be able to keep track of them all and get all the ones I wanted so I didn't feel I was missing anything. But these days it's a like a flood, and I feel I am missing out on so much. What should I do, quit my job at the post office and devote all my time to watching porn? I'm not kidding!

**Sam B.
Yonkers, NY**

MARY: I certainly hope you are kidding, Sam! For goodness sake do not quit your job! But I have to agree with you, the explosion in the number of porno products now on the adult entertainment market does make carnal consumer choices just that much more difficult. Back in the olden days of porn there used to be like 100 new porn tapes each year. Now? Try like over 10,000! So how do you handle it all? The answer is that you don't because you can't, but what you can do is

MARY: Murray, Murray, Murray—like so many guys, when it comes to fucking a girl, you are so close, yet, so far. Let me try to distill it for you. The fact is that yes, most girls, do like to get fucked hard. They do like to get their brains fucked out. No question. I'm a girl and that's what I like to—at the right moment. Timing is everything. When you are sexing with a chick you usually can't start out just ramming and slamming her—the key is, you have to work up to it. First foreplay, then some slow tender fucking, to get her good and wet and ready, and then, and only then, work up into a sledgehammering cunt-slam that both you and her will enjoy. Sure, if you try to bang her hard before she is juicy and hot enough to want it, of course she is going to tell you to hit the road. Take it slow dude, and you should be able to cram her as hard as your loins will allow—trust me!

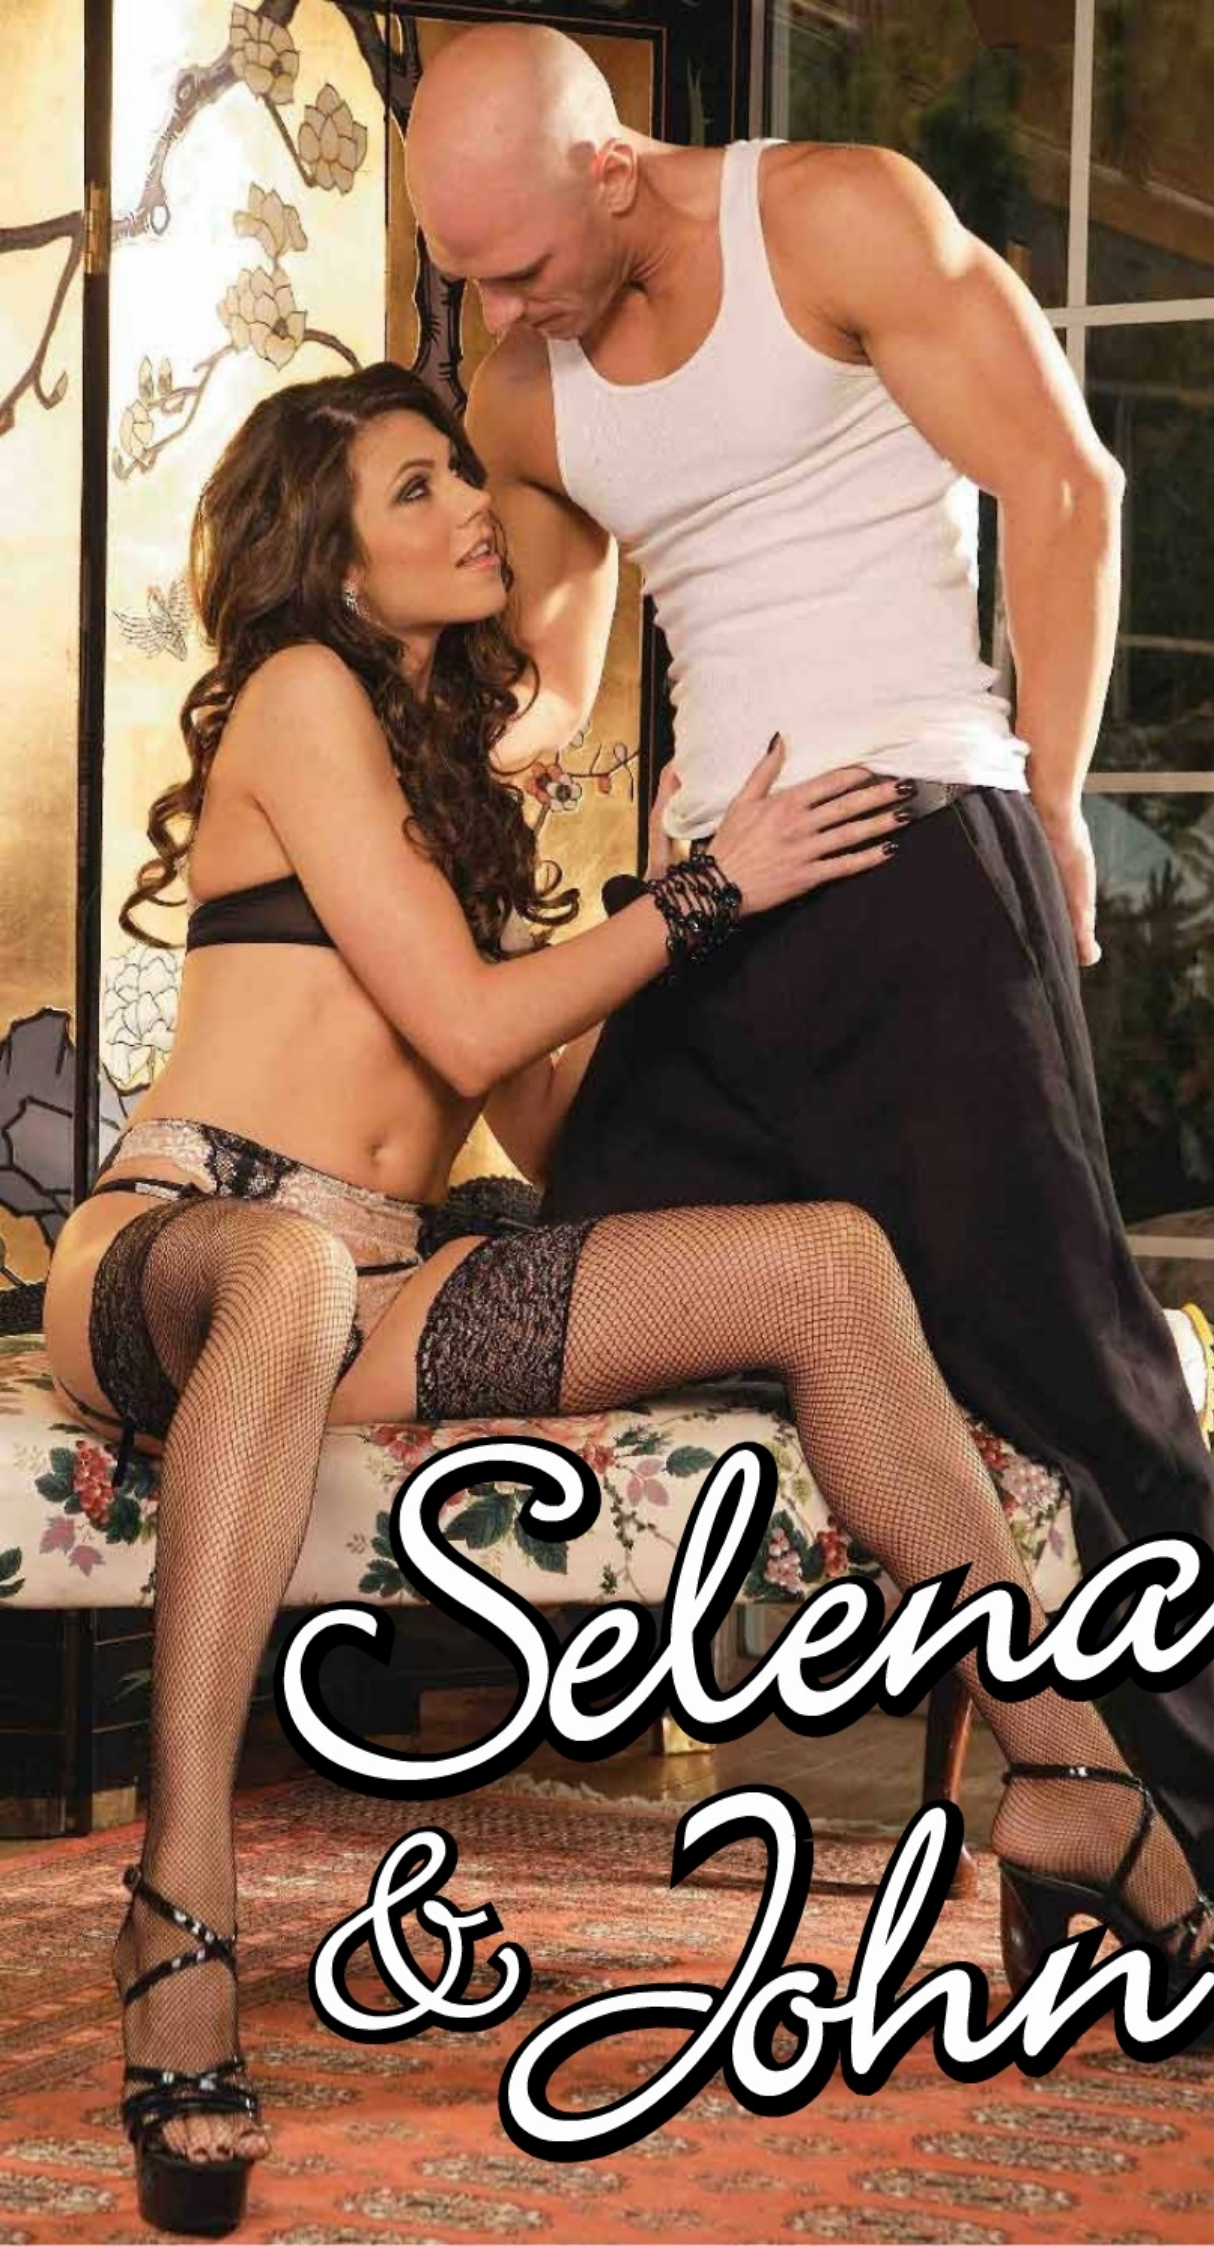

Global Gash Re-Hash

As the world's most famous porn star Mary I imagine you know as much about the XXX biz as anyone. So I was interested in your insights on something. As all steady porn-watchers know hardcore fuck flicks now feature sex starlets not just from the USA, but from all over the world. When I go to the porn video store to buy some sexy DVDs, I never know which ones to get because there are so many different girls from so many different foreign countries. Help me out, Mary, where are the most beautiful porn stars coming from these days?

Rubbing Me The Right Way

There's this cool thing I do regularly, where I go to this massage school and let the students practice on me. I get a free massage, and sometimes find myself beneath the magic fingers of a young hottie with a gift for making the stress go away.

"I realized that my swollen dick was about to be discovered."

The best experience I ever had at the school was with an 18-year old babe named Eva. It all began the day I showed up and the receptionist told me that I would be worked on by a student who was looking to give her very first massage. So I went into the room, got undressed and laid face down on the table with a towel around my waist. The next thing I know the door opens and in walked this hot brunette statue of a girl with a lean and tan body that was blessed with a nice rack and permanently hard nipples that poked through her T-shirt. Eva introduced herself then admitted she was a little nervous about giving her first massage.

I closed my eyes as Eva put on some music. I could hear her putting oil on her hands before setting all ten fingers on my shoulders. The gentle caress of her soft fingertips sent a tingle through my body and sent a rush of blood instantly to my cock. Eva worked every muscle on my back, poking her fingers down my spine. I was totally in heaven and it wasn't until Eva asked me to roll over onto my back that I realized that my swollen dick was about to be discovered.

After some hesitation I turned onto my back. Both of us were embarrassed as my hard on stood straight up under my towel. I started to apologize, but Eva said it was cool as she began massaging my legs. As Eva reached my upper legs I expected her to stop and move to another area, but to my surprise her fingers continued up along my inner thigh. I could feel my breathing growing heavy and I accidentally let out a low moan when Eva's fingernails brushed against my balls.

"Is this okay?" Eva then whispered as her hand wrapped tight around my stiff cock. I was totally turned on and all I could do was offer a nod of approval as this hot teenager began stroking my meat.

I reached down and pulled the towel off my waist, exposing cock to Eva. Putting a hand on Eva's shoulder, I guided her down towards my pole. With her face inches from my dick, Eva opened her mouth and dropped her tongue onto my straining tip.

Eva's soft red lips eased down my shaft in a light grip while her tongue caressed the underside below the head and inched down to my balls. I leaned forward and pulled Eva's T-shirt over her head. I unhooked Eva's bra then took her massive tits into my hands. With my forefingers and thumbs I pinched Eva's large pink nipples as her tongue and lips continued to work their way up and down my rock hard dick. I pushed Eva's hair away from her face and Eva stared up at me with her sexy eyes as my muscled tightened up and a giant load of cum burst into her mouth. I pressed two fingers against her neck to feel her throat flexing as she swallowed every drop of my pearly spunk.

I stood up and put my lips to Eva's and pushed my tongue into her mouth in a deep kiss before lifting her up onto the massage table. I put Eva on her back the opened her pants and stripped them from her body. After removing her panties, I opened Eva's legs and worked my lips along her inner thighs, moving my way toward the small patch of hair above her snatch.

Eva's breathing grew heavier as my tongue pushed gently between the walls of her cunt and set firm to her swollen clitoris. I sucked the pink skin between my lips and stroked the fleshy button of her g-spot with my tongue until Eva shook and a pool of sticky juice rushed from her hole.

With Eva still panting from her orgasm, I climbed up on the table and, as I knelt between her legs, I lifted her ankles up to my shoulders. I traced the head of my cock along Eva's crack until my hard on returned. With the wood in my hand I eased the tip into her dripping box and let my lips fall to her

fat, juicy tits. My powerful hip thrusts pumped my stiff fat cock into her clam-tight hole as my lips pulled hard at her stiff pink areolas. Eva clutched my ass cheeks in her hands, and, with each push of my dick into her snatch, her blissful moans grew loader.

With my nut about to bust, I pulled my dick from her snatch and turned her face-first onto the table. I dipped two fingers into her sopping cunt and used the juice to wet her virgin asshole. Knowing what she was in for, Eva braced herself against the table as I popped the top of my cock into her anus. The first few strokes of driving my full cock into Eva's ass caused her body to tighten up. But, as her hole loosened up to accommodate my thick meat, Eva began to get really turned on from the ass-dicking. She dropped her hand down between her

legs and fingered herself to another orgasm just as the next batch of cum was spurting way up inside her butthole.

I now make it my business to go to the massage school at least once a week, and I make sure that Eva is available for my session. The lady that runs the school tells me that Eva has become their most popular student with the volunteers that come for practice massages. Sounds like Eva has a great career ahead of her! □

SO YOU THINK YOU CAN FUCK

Good morning! Good afternoon! Good evening! Or whatever it is where you are reading this new hot edition of *SWANK* magazine, a good something! Since *SWANK* of course is an internationally-famous adult publication it is sold around the world in all kinds of different languages, and no matter what time of day or night it is I can guarantee you that someone, somewhere is beating off to these pages right now! Hey watch it, you'll get it in my eye! Just kidding! Anyway good to be back at all you *SWANK*aholics this month, hope you've all been getting laid all over the place—just like I try to do! And you know, when I was driving up to my home in Hollywood the other day I was thinking about just these things I've just mentioned, that *SWANK* serves a global audience of mostly guys, and virtually all of these guys want to get laid, and combining the two, I would guess that many of you all have fantasized about being a porn stud yourself. So why don't I talk to you a little about that this month—you say you want to be a porn star? Not so fast guys, let me give you the scoop before you quit your job, pack up your bags and move to Los Angeles in search of fame and fornication!

Now first off, let me tell you, normally this is a subject I won't touch with a 10 foot pole, or even my own pole! Anyone checking out my pages on www.myspace.com/ronjeremy, can it what I say in big print, "I CANNOT give advice on how to get into the business since it was so many years ago when I started and so much has changed since then." And I leave it at that. But here for the first time I will go into a few points about guys wanting in, that may change your minds. Of course we all know what is the upside (pun intended) to being a full-time porn stud—you get laid, you make decent money—easily 100K a year if you are good, you get laid, you get to travel a lot, you get laid, you often get treated like a real celebrity, and did I mention, you get laid? Okay, now ready for the downside? The fact is that there is only a very small number of male porn actors, you can count them in the dozens, who can do the job and do it right. Most can't and shouldn't bother trying, and certainly not feel bad about it. Here are the five toughest things about my job, so before you start thinking you want to be the next Ron Jeremy, check this out!

1. You have to be able to get it up, keep it up, and shoot your load, on cue. And not only that, you have to do it with lots of people watching, shining bright lights in your eyes, and yelling at you. And many times you may not even find the girl you are fucking attractive, and she may be a bitch to boot. Think about that.

2. You have to be at least somewhat decent looking—okay, all jokes aside, while I guess I am the XXX-ception to that rule—feel free at this point to jump in and disagree if you want!—the fact is that you should be in good shape, okay-looking, and not look horrible naked. And that cuts out like 90% of the world male population! I know, you have all seen some real ugly guys doing hardcore porn scenes, but those guys usually don't get a lot of work for lots of reasons, not the least of which is the hottest girls only want to ▶

CHECK

**Who Wants To
Be A Porn Star?
"I Do!!! I Do!!! I Do!!!—
Or Do You?"**

guys! You don't have to have model Peter North-type looks, but if you look fugly, you are going to get shot down in casting—fast. So take a long hard, look in the mirror dudes, really!

3. You have to be healthy, really healthy. The testing for various sexually transmitted diseases (STD's) in the mainstream X-biz is stricter, more comprehensive and more closely adhered to today than at any other time in hardcore history. So if your cock ain't clean, forget it, all US porn actors are fully tested for STD's like clockwork on a monthly basis, so there's no getting around it. Beyond that you have to be in good shape (okay, stop pointing at those pictures of me on these pages and laughing, you are not funny!), fucking on set for hours at a time is exhausting, and if you are not in shape, you are going to drop dead in the middle of a fuck flick. Messed up teeth, bad breath, and lots of warts will also work against you. So unless you are in picture perfect health from your head to your toes, you've got problems being a porn stud.

4. You have to be ready, willing and able to fuck up your whole life. From the minute you appear in your first porno movie, you are marked for life, there's no taking it back. The image of your naked person will be recorded for erotic eternity, and it can turn up anywhere, anytime, when you least expect it—it's called the internet. Once you are a porn performer you become an outlaw of sorts, and while what you do is legal, lots of people will no longer invite you to their dinner parties, weddings and bar mitzvahs.

Get my drift? You will be looked at differently for the rest of your life by your family, friends and neighbors forever, not to mention forget about ever running for president. Ready to deal with that shit? Think about it.

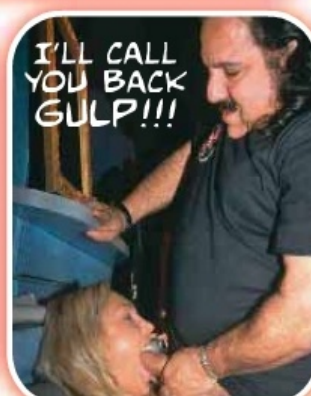

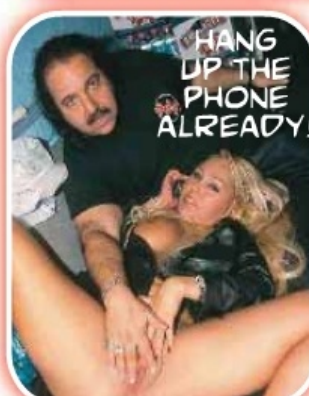

5. And finally, you need to understand that the porn industry talent pool attracts a broad cross-section of people, and your fellow on-screen fornicators may not be the type of people you would want your sister to marry. Speaking of your sister, I was on this porno set the other day and...just kidding! I don't need to play games here, any of you that reads the numerous daily adult entertainment industry gossip websites knows that while many porn performers are fine people, like, well like yours truly, there are also incredible numbers of alcoholics, drug addicts, hookers, ex-cons, borderline lunatics and the like. I don't know if there are more of these types represented in the porn industry than other fields of employment, but I tell you, when you are jammed together on a small porn set for days at a time, and you have to work with one or more of these poor unfortunates, well, it sure seems that porn attracts more than it's fair share. So let that little factoid sink it!

And that's it, my five favorite "warning points" that I would put forward to anyone male wanting to do porn for a living. Now look, I would encourage anyone to follow their dreams to do whatever it is in life they think they love—even being a porn stud. Just try to do into it with your eyes—and not just your fly—open! But just to sign off on a positive note, I am planning in the near future to write my column on exactly how those of you who are determined to give it a go, should go about becoming a porn star, to give you the best possible XXX odds. How's that for covering all the bases? Am I some kind of SWANK publisher or what? Okay, well these does it for this month. Hope I didn't scare you too much—but hey, you've all seen me naked before, so how can these words of cautionary wisdom be any worse? Haha! Gotta go, see you in next month's SWANK! □

Affairs of the Hard... And Soft

It was the middle of 1975. I had been involved in the Adult Entertainment Industry for over three years in various carnal cinematic cavorting capacities as an actor in such hardcore productions as "The Sexual Ecstasy of the Macumba" and "Marilyn and the Senator" (which succeeded in getting me busted for performing illegal sex acts by the Los Angeles Police Administrative Vice Department), to manager of Reb Sunset International, a nude theatrical modeling agency located in Hollywood (which succeeded in having the Vice Detectives make surprise visits to check up on me), to writing and directing and performing in a pulsating production called "High School Honies"—which succeeded in making me want to try my hand and eye—at other forms of the masturbatory medium into which I was so thoroughly immersed.

Encouraging my friend and benefactor, Titus Moody (the very talented photographer and cinematographer who had guided me through the making of "Honies" and who had also been the fellow who shot my first hardcore action in "Love Sandwich" way back in October, 1972), to lend me one of his extremely valuable cameras, I told him that I was going to shoot a nude layout. Titus, who knew that it would be futile to deny me the chance to focus in on some flesh, sorted through his equipment until he found a couple of two and a

ured that it would be easy to snap off at least a couple of useable shots, and I could already see my photo credit boldly blaring out the fact that I had climbed another mountain, and that I was truly on my way to becoming multi-faceted force to be reckoned with.

A willowy brunette from Northern California, whom I had named Hope Rising, was quick to volunteer for the shoot. I was delighted. She had registered with Sunset International a few weeks earlier, but so far hadn't done anything, as she really wasn't

quarter format cameras that he felt wouldn't be too difficult for me to handle.

Loading both of them for me, with black and white rolls of film, each of which would provide me with 12 chances to experiment with what I thought would look hot, he explained to me that "If anything of any value comes out of your shoot, then perhaps you can place the images in one of the publications that you are writing for." I was very excited. Since I was cranking out columns for quite a number of adult alternative publications at this point, including "The Hollywood Press", "Swing", "Yes", and "Moan!"—I fig-

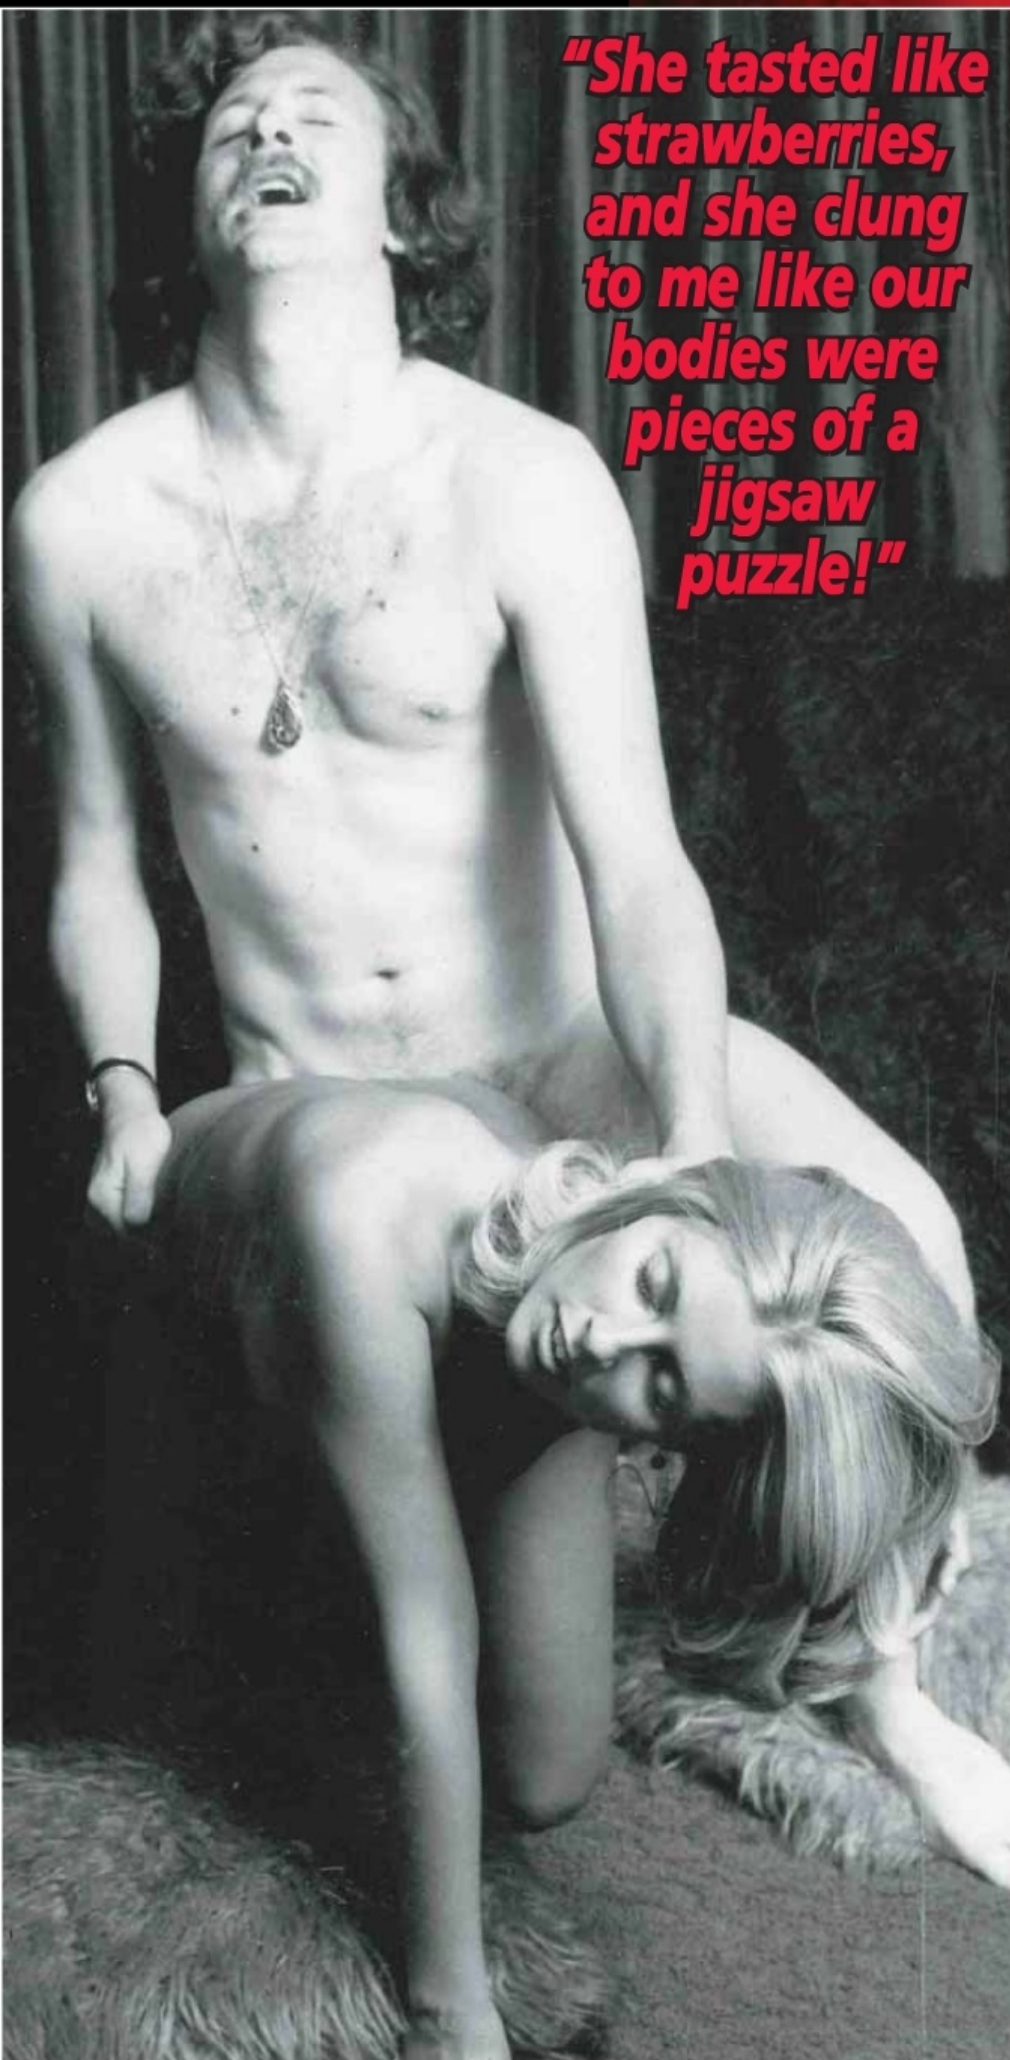

interested in doing hardcore, and the more hardcore bookings at that time were pretty slow. But she hung around the office whenever she was in Hollywood, and we developed a comfortable, surprisingly non-sexual relationship. Indeed, there was something about her that made me want to maintain a friendship with her a great deal more than my desiring to perhaps screw up our situation by screwing her. So I simply lusted for her in mind. And because of that, I felt my smoldering sentiments would increase my ability to encourage her to become a molten model.

Titus set up a few lights, showed me how

to focus the cameras by bending over the view finder, and then gently manipulating the lens until I felt that it was time to click off a shot, followed by what crank to turn to advance the film. And then he was gone, leaving me with Hope, who looked anxious to start posing.

Hand and eye coordination has never been one of my stronger suits, and now faced with much more than I could handle, I was truly all thumbs and bumbling, and almost immediately my vision began to blur as sweat started to cloud my vision. Hope was oblivious to my plight. So I tried to fake it by having her pose coyly at first (even to the extent of sheathing her in one of my favorite Billy Bear t-shirts), and then slightly more aggressively (brazen hands on hips stuff), and finally, rather boldly (splayed against the wall or laying wantonly on the floor), until the first roll of film was exhausted. Quite frankly, I was already exhausted as well. However, I still had another roll to shoot. Hope used the couch and various other pieces of furniture in the office to show me more of her body than I really wanted to see. And as I went through the motions of clicking off the shots, I was remarkably un-aroused by the entire proceedings. And then to compound the folly of this experience, as I was attempting to rewind the second roll, I heard a grinding sound coming from inside the camera, so I decided to open it up and look inside. And I was greeted with lots of shred-

ded pieces of film. Titus arrived back on the scene at the precise moment that the shredded film was hitting the floor. He shrugged. "Oh well," he said, "At least you managed to get one roll in the can." And with that utterance, my short and anything but sweet career as a still shooter came to an end.

But on these pages are the mute reasons why in all of their truly un-arousing (and perhaps even blurry) glory displayed exclusively for the very first time, as none of the publications that I was working with back in 1975 wanted any part of them.

Seeking solace in front of the camera, I humbly returned to my role as a male model, and I was quickly gratified when the legendary soft-core actress Uschi Digart requested me to work with her in a set wherein a couple of cat burglars surprise a pair of lusty ladies.

I had met the spectacular Uschi back in 1972, during the making of "The Goddaughter" (my very first X-rated film) and had treated her, and her magnificent natural endowments, with such respect, that she trusted me not to attempt anything more than professional petting whenever we worked together. And I never, ever strayed beyond her fur-lined fringe or into a nether zone that was verboten.

However the other lady, a gorgeous dark haired vixen named Janice, on the set that day did not have any such limitations. In fact, I think that she may well have been brought in by Uschi to make sure that whenever a need arose, and it dangerously threatened to go out of control, that it would be attended to, off camera, by whatever means necessary, so that the shoot could proceed. Suffice to say, I most certainly didn't go home in state of sexual frustration that evening. And neither did the aforementioned lady, who after having made sure to swallow all that I could produce a few hours earlier when she felt that my balls were heavily in need of being emptied, joined me in the shower after the shoot to make sure that I repaid the favor.

And then very late in 1975, perhaps in the form of a holiday gift, a magnificent beauty that I quickly named Lyla Blue, innocently found her way into my office, and I was blown away. The walking wet dream was of Swedish descent—all tanned and toned—and radiating an aura of raw animal sexuality from her perfectly coiffed head to her finely manicured toes.

She had come to the United States a few months earlier, purchased a VW camper, and had driven across the country, "Seeing all of the sights" as she put it very slowly and precisely as her speaking of the English was limited at best. But her accent ignited images of strudel and the Alps and yodeling and much more. She had seen me looking at her from my office window from across Hollywood Boulevard as she was walking around the famous hand and foot print encrusted courtyard of The Chinese Theatre, and curiosity compelled her to come up the couple of flights of stairs and see me. "What do you do here?" she purred as I felt my eardrums being coated with warm melted chocolate. She was wearing a sundress that left absolutely nothing to the imagination. Whether or not there were

panties underneath were of little importance to me, as I had already been swallowed up by her yearning, burning eyes.

As I explained to her what I did and how Sunset International operated, she shook her proud mane of sun-baked hair, and responded carefully, trying to make every word sound as close to English as possible, with such charming earnest, that I had to bite my lip from not laughing at her futility, because she had me hooked at "Hello."

I took her downstairs and fed her at The Hamburger Hamlet. My appetite that evening was for a great deal more than their chicken wings, but I worked my way through a dozen of them slathered in 1000 Island dressing, relish and chopped onions, while I watched Lyla daintily devour a cheeseburger and fries. Between demure bites, she asked me if I could get her a modeling job, as she was running low on money. I told her that I would work on it the next morning, and that she was welcome to stay in the studio, as I was sure she would welcome an escape from sleeping in her camper.

"You sleep in studio, too?" she asked, as she proceeded to transform eating a French fry into a lascivious act. "No," I sighed, "I've got to go home, but I'll be back early in the morning, and I'll set up a modeling job for you." Then I double clutched my thoughts, and added, "A modeling job for us."

Unfazed by the fact that I had inserted myself into her scene, she did in another French fry, and smilingly responded, "That's nice."

Morning didn't come fast enough for me. I whisked Lyla off to a photographer's studio a few blocks from my office. The photo set was designed to be softcore, but I was beyond caring about getting laid by this time, as I figured that it would be inevitable. Of course, Lyla was a natural, and the photographer fell all over himself, praising her every move, while I simply fell deeper and deeper and deeper under her spell. She smelled like freshly baked bread, she tasted like strawberries, and she clung to me like our bodies were pieces of a jigsaw puzzle that had been parted long ago, and had finally found each other after so many years. And when I looked into her eyes, what aroused me the most was not the overt lust, but much, much more, the covert trust. She knew that she was safe was me. For some Heaven may well be a cornfield transformed into a baseball diamond in Iowa. For me, that day, it was a tiny photo studio in Hollywood.

We finished the shoot. Lyla was paid \$200 cash. She kissed me on the cheek, and said that she would come back to Sunset International the next morning. I never saw her again. Sometimes, the best "Lays" are "Those" that "Were" never consummated.

Steak and a Blowjob Day

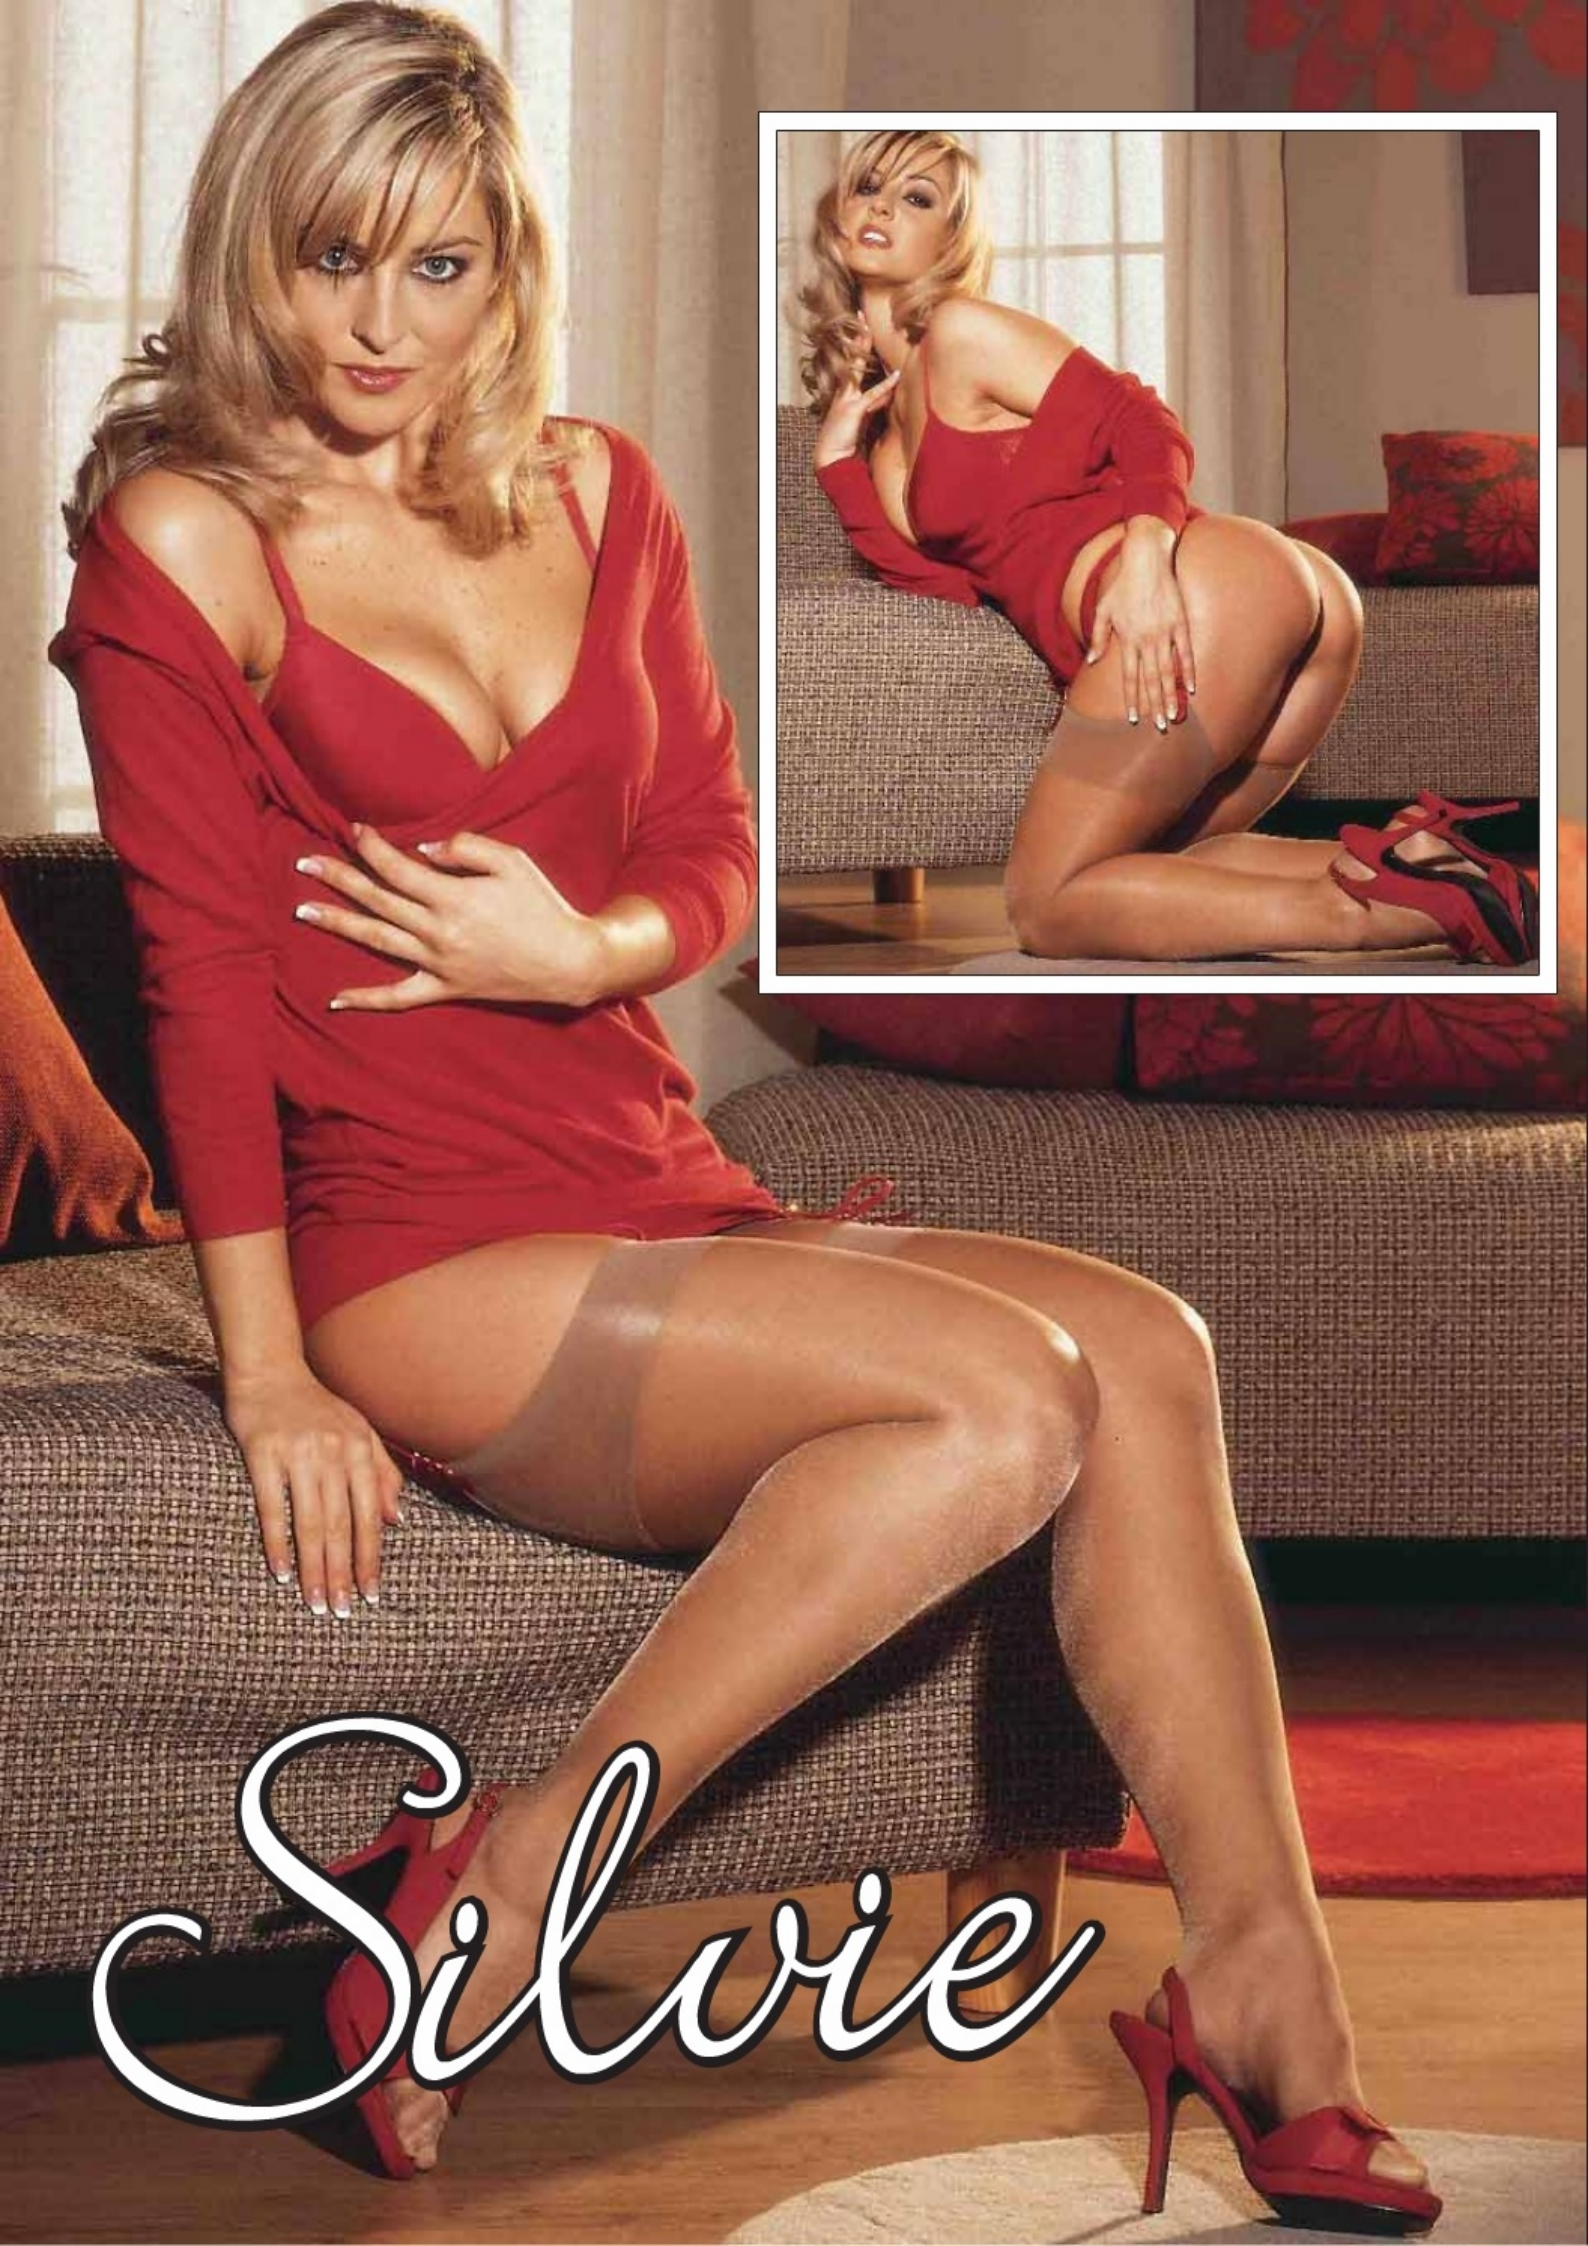

Well, if you missed the 2007 celebration of this unique, new holiday, make sure you mark it down, cross the days off, and keep your calendar open for March 14th, 2008. As many of you may or may not know, guys don't have a day for themselves. After Hallmark created Valentine's on February 14th, a day in which men get to display their fondness and undying love to their significant other by showering them with gifts and affection, guys started getting depressed.

The girls need a day too. They need an outlet to show their love and devotion... "March 14th is now officially 'Steak and Blowjob Day'". Simple, effective and self explanatory, this holiday has been created so you ladies finally have a day to show your man how much you love him. No cards, no flowers, no special nights on the town; the name of the holiday explains it all, just a steak and a BJ. That's it. Finally, this twin pair of Valentine's Day and Steak and Blowjob Day will usher in a new age of love as men everywhere try THAT much harder in February to ensure a memorable March 14th. It's like a perpetual love machine!"

- Tom Birdsey (founder of Steak and Blowjob Day)

Now you can share your thoughts and feelings with those dear to you by delivering to them an authentic Steak and Blowjob Day Greeting Card. You can also find out more about blowjobs, or steaks, or whatever, in our Steak and Blowjob Resources section. Say it with love. Say it with meat. Say it with a SBJ Card. "This is the same routine I used to win Miss Sacramento."

It's 1957 and Bobby goes to pick up his date. He goes to the front door, the girl's father answers and invites him in.

"Carrie's not ready yet, so why don't you have a seat?" he says.

Carrie's father asks Bobby what they're planning to do. Bobby replies politely that they will probably just go to the soda shop or a movie.

Carrie's father responds, "Why don't you two go out and screw? I hear all the kids are doing it."

Naturally this comes as quite a surprise to Bobby, but the father continues. "Yeah," says Carrie's father, "Carrie really likes to screw; she'll screw all night if we let her!"

A few minutes later, Carrie comes downstairs in her little poodle skirt and announces that she's ready to go. Almost breathless with anticipation, Bobby escorts his date out the door.

About 20 minutes later, Carrie rushes back into the house with her shirt open, titlies hanging out and pulling up her panties, slams the door behind her and screams at her father: "DARN IT, DADDY! IT'S CALLED THE TWIST!"

"What do you mean 'cheating'?! This isn't cheating. She knows I'm married."

RON AND MARY'S X-RATED PORN THEATER

JANE BLOND

STARRING: CARMEN LUVANA, FELIX VICIOUS, LACIE HEART, MICHELLE MAYLENE, NADIA STYLES, NICOLE SCOTT, ROXY JEZEL, DERRICK PIERCE, SETH DICKENS, STEVEN ST. CROIX, WILL POWERS, TOMMY
DIRECTED BY: DANIEL DAKOTA
AVAILABLE FROM: ADAM & EVE PRODUCTIONS
RUNNING TIME: 116 MINUTES

22071

There's lot's of wicked action here, in a cheeky porn knockoff of you-know-who, as the blonde, buxom, criminally luscious Carmen Luvana plays secret agent Double D7, Jane Blond, a naughty nympho operative hot on the trail of Dr. Cock, "The Man With The Golden Penis". (Yeah, right.) First Carmen sends mouth-watering brunette Michelle Maylene to distract Dr. Cock, (chrome domed stud Derrick Pierce), by, of course, offering to suck his dick and fuck his brains out, while she looks for whatever the fuck she's looking for, some sort of real estate plan that's really the cover for the nefarious plot. Pierce uses his studded tongue to tickle Maylene's shaved slit, sending her into orbit, and then she returns the favor by sucking Derrick's dick deep down her velvety throat. They fornicate in all the usual positions, and Derrick finishes off by cumming all over her tasty tits.

Sent to Mexico on a lead, Carmen has a fuck thrown into her by her contact Seth Dickens, who is waiting on the bed in her hotel room, in his undies. She sits on his face, and while eating her cunt out they're joined by the hot chambermaid Nadia Styles. Seth and Nadia team up to fingerfuck Carmen into a frenzy, then Seth goes to work on her, doggy style, with orgasmic results. And for those wh care, it's safe sex all the way. Back at headquarters, luscious techie Lacie Heart bangs head honcho Steven St. Croix. Lacie is a very tasty blonde with a full round buttocks and nice pert tits and she sucks a mean cock, deep throating big Stevie down to the willies before they get it on. Meanwhile in Japan (or so they say) foxy Brit Roxy wipes off her kabuki make-up and makes it, in shiny vinyl, with Will Powers. Roxy in action is always a pleasure to watch, whether it's sucking a bone or being balled into a spasm of orgasms.

Things come to a head (and, a catfight that's all too short) as Carmen confronts Roxy; then the dick happy blonde moves onto rising one-named stud Tommy, who gives her a massive mouth fucking, then pumps her pussy before blasting cum all over her cute kisser. Sex and spies make Jane Blond DD7 a winner.

SUPREME HARDCORE

STARRING: SOPHIA RED, FRANK, MILLI JAY, KYLIE, SOPHIE MOONE, HENRIETTA, SUZANNE, TEREZA, NANCY BELL, CORY BABY, JANOS
DIRECTED BY: VIV THOMAS
AVAILABLE FROM: VIV THOMAS
RUNNING TIME: 135 MINUTES

If you title your project with the word "supreme" you have to be able to back it up. Proudly, Viv Thomas lives up the name. Each girl is hotter than the last and the delirious sexual frenzy keeps amping up as the minutes pass.

Sophia Red and Frank start off a nice pace that doesn't feel rushed. In fact, it feels very voyeuristic in nature, except for all of the incredible shot action. To his credit, Frank takes his time with the lovely young lady. If it were me, I'd have shot my load on her tits the second she pulled them out. Sophia's hairless cunt is nice tight and pink and Frank licks it like it's made of candy. After giving him a perfunctory blowjob, Sophia mounts his cock and rides him cowgirl style. Sophia's body is delight to watch and she's put through the porn

22090

mill of positions. A thick and creamy cumshot pops her in the face and she cleans up the goopy with mess with her tongue.

Redhead Henrietta lounges on an empty bed and caresses her curvy body. Henrietta sticks her hand down the front of her sweatpants, rolling her clit and finger fucking her pussy. She takes out her tits and starts pulling on her eraser like nipples as she moves her hips and moans. Reaching under her pillow she procures the blue vibe from earlier and uses it on her still covered pussy. Once she's nude the vibe goes straight to the clit and she cums all over the bed. Beautiful girls, perfectly shot scenes and some serious pussy make Supreme Hardcore a winner. Give it a look! —George Lutz

KRYSTAL THERAPY

STARRING: ASHTON MOORE, BYRON LONG, DANI WOODWARD, ERIC MASTERSON, EVAN STONE, HOLLY WELLIN, KATIE MORGAN, KRYSTAL STEAL, MANUEL FERRARA, MARCUS LONDON, MCKENZIE LEE, MELISSA LAUREN, RENO, RITA FALTOYANO, TYLER KNIGHT

DIRECTED BY: BARRY WOOD

AVAILABLE FROM: CLUB JENNA

RUNNING TIME: 90 MINUTES

Dr. Krystal is a bit of head case, alternating in-between good therapist roles and her hardcore personality, in the middle of her patient sessions. The first clients are couple Steven St. Croix and Katie Morgan. Slutty Dr. Krystal is soon blowing Steven while Katie stays on the sidelines. The good doctor straps on a dong and plows Katie too. Steven blasts a load of goo into Katie's mouth after fucking both blonde fuck machines.

Sporting her small tits, Melissa Lauren drops in seeking counseling for her short dick problem. The good wore doc prescribes a yard of black cock to remedy the situation. Two big dicked black guys arrive and leave no hole unfucked in their mission to satisfy the energetic French babe rail Melissa. At one point Miss Lauren blurts out "I fuckin' love these cocks!" and boy does it show!

An all girl three-way breaks out in a club with lots of spectators enjoying the free show. Ashton Moore, Rita Faltoyano and Krystal take turns eating each other out, sucking and fondling titties and more, as the crowd gets larger. Rita doesn't eat any pussy, which is a shame because her face looks so nice between a pair of thighs. Two guys approach the Rita and Krystal for some quickie banging. That's exactly what they get; the guys are done before they start. Holly Wellin is screwing Manuel Ferrara in the background the entire time and the camera nicely catches all three couples.

The cause of Krystal's split is the fact that her friend Dani was fucking her husband. We are treated to a scene of Dani Woodward sucking off Reno and getting seriously screwed before taking a face full of cum.

Krystal gives over to her "bad" side and counsels McKenzie Lee and her husband. Bad Dr. advises McKenzie to cuckold her hubby with Evan Stone. This scene is very hot and is a perfect end to a fun flick. Both guys end up railing McKenzie at the same time and if this girl doesn't win something for her energy in this scene it's a goddamn crime. By the way, McKenzie looks heavenly in the doggie style position. Delicious.

Make Krystal therapy a part of your permanent collection. Great looking babes, high quality fucking and some of the best camerawork to come out of Vivid make this one a keeper. -Saul Thompson

BLACK GUYS IN WHITE THIGHS

STARRING: ALEXA LYNN, CHELSEA RAE, JOEY VALENTINE, NINA STEVENS, SOPHIE DEE, TYLER KNIGHT, TEE REEL, SLEDGE HAMMER

DIRECTED BY: DAVID LUGER

AVAILABLE FROM: MACH 2

RUNNING TIME: 120 MINUTES

This raunchy interracial romp features a bevy of paleface beauties that can't get enough of that funky stuff, in particular, big, stiff, hard black cock relentlessly applied to every available orifice. Kicking things off is sexy blonde Alexa Lynn. Attractive, with a cute kisser and pert all natural titties, she fingers her juicy cunt and expresses her strong desire to get "fucked by a big black cock," and get treated "like a little whore. I don't like that lovemaking shit," she says and when king sized stud Sledge Hammer shows up poolside, she proves it, blowing his big dick between the bars of the gate, then inviting the rest of him inside for more extensive debauchery, including some pumping reverse cowgirl action, doggy style and a big load blown all over on her pretty face. Equally eager for action is equally cute blonde Chelsea Rae; so eager, in fact, she needs two big black cocks to satisfy her craving for black meat, which are amply provided by Tyler Knight and Tee Reel. The brothers get back to black blowjobs, then screw Chelsea's brains out in a variety of positions, and wind up with a series of ball draining DPs. Then they beat off in Chelsea's open, willing mouth, and she swallows their cum what a cunt!

Rounding out this curvaceous collection of Afrophiles is yet another juicy, fuck crazed, tiny titted blonde, Joey Valentine. Tyler Knight fingers her asshole, she sucks the finger, then moves onto his big cock. Her mouth gets a massive fucking as she fingers her clit, then the fucking begins in earnest: front back, sideways, ending, as always with a load down the throat.

A must for lovers of interracial lust, *Black Guys in White Thighs #1* is a stiffening winner. Dr. Willard Moody

BREAKIN EM IN 9

STARRING: ALLISON PIERCE, AMY RIED, CARMEN KINSLEY, HAYLEE LE, KYANNA LEE, TRISTA TANNER

DIRECTED BY: VINCE VOUYER

AVAILABLE FROM: VOUYER MEDIA

RUNNING TIME: 181 MINUTES

Haylee. Le arrives at the Vouyer Media warehouse/office and announces that this is her second scene ever. Haylee is one sexy Vietnamese/Dominican mutt with a tight little body and all natural boobies. Vince finger bangs her in the office as Haylee stands before him. The petite cutie is horny and can't wait to start banging. Haylee starts off with a blowjob on a fake prick, and it's a nice preview of things to cum. Vince fingers her pussy again and then shoves his cock in hard and fast. After a minute, Scott Lyons arrives and helps break in the horny tart. The guys take turns on her pussy and mouth and Haylee loves all the cocks inside her. Cannot wait to see more of Haylee. If she handles two impromptu cocks this well, imagine how good she'll be with some preparation. Haylee is a trooper and takes two cumshots; one on her shaved puss and the other into her open mouth. God damn I love this whore!

Another sexy Asian girl with a near perfect body, Kyanna is ready to suck and fuck when she arrives on set. The barely legal chick tells Vince that she likes it rough as she sits in a director's chair and lazily strums her clit. Kyanna has never swallowed cum but she's trying to learn. Good girl! Vince thanks her for her time and tells her to come back later.

Blonde twenty two year old Allison sits in her makeup chair getting her hair

done and yapping to the camera.

Allison's done less than two-dozen scenes, and is horny. She shows off her cute body and gets ready for a triumphant face fucking. Six guys arrive and take out their cocks for Allison to suck. Allison takes a cock slamming from a half dozen guys standing in a circle around her head. Getting on one guy's lap she rides his prick in a reverse cowgirl. As she rubs her pussy one guy eases his dick up her butt. When the cum starts flying Allison is front and center catching the sunk with her face and mouth. The guys continue to fuck her some more and even spray her mug a second time.

Kyanna returns and she's ready to fuck on film. Two dudes bang the holy hell out of her. First Kyanna's tits are licked then Mikey goes south and eats out her asshole. It's sexy. Kyanna does both guys with gusto and keeps up the fun energy level. She's fucked in a big variety of positions all the while screaming in lust. Wow, this girl is good. Two more guys show up for a blow bang and they all take turns firing cum in her mouth. Kyanna does swallow some, but not all the cum.

The last two scenes are incredible as well. Do not miss Amy Ried and her anal antics; this girl can FUCK! Carmen is no slouch herself but Amy takes the cake. —Tom Huro

HOW DOES PRO+PLUS PILLS WORK FOR YOU?

In what has been described as a miracle, PRO+PLUS PILLS will expand the erectile tissue longer and wider with a larger supply of blood so that you will gain up to 5 inches. **You can make that miracle happen!** You can have the size you always dreamed of with the PRO+PLUS PILL. **WE GUARANTEE IT!**

Just imagine when your sex partner sees how thick and long and hard you are. Men will gasp with envy the first time they see the new you in a locker room, shower or gym. Penetrate deeper and see how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW LONG WILL IT TAKE FOR MY MAXIMUM ENLARGEMENT?

In a couple of weeks the change will be the width and longer lasting erections. After a month or two you will see a change in the length and again you will be thicker and wider. After the third month a very noticeable change, not just in size, but you will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Manganian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHICH FORMULA IS BEST FOR YOU? PRO+PLUS PILLS ADVANCED FORMULA

Our exclusive advanced formula for men with a form of HYPOSPADIAS or small penis since they were young. Size now is less than 6 inches and need a guarantee of accelerated enlargement to reach a much larger size. Can also be used by men larger than 6 inches and need guaranteed maximum enlargement.

WHAT WILL PRO+PLUS PILLS DO FOR ME?

► A longer, thicker penis enlargement up to 5 inches or more!

► A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.

► You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.

► Erections when you want them. Rock-hard erections every time.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

Mary's Mail Bag

(Continued from page 19)

MARY: Good question, Mike, as this is very true, for about the past ten years or more there has been a flood of new porn stars from far away land, doing XXX in their countries for import to the USA, and coming over to the USA to suck and fuck for adult industry directors and producer over here. The most beautiful? Well, as they always say, beauty is in the eye of the beholder—or in this case, in the eye of the guy holding his own cock! But right off the bad girls from Eastern Europe, mainly from the Czech Republic and Hungary have a rep as being gorgeous, and if you take a gander at the likes of porn babes like Silvia Saint or Anita Dark, you can see why. Likewise a number of mega-porn hotties have been turned out in western europe by Germany like Katja Kassin, or Hannah Harper from England. But if you turn you head—both the big one and littler one—down toward South America, girls from Brazil will knock your socks off, as have a number from Mexico and other Central American locales. Wherever you go, there are scorching babes ready to fuck for bucks. For me the real question is where the next crop of slutoids will come from. My two top guesses? Cuba and Iraq. Believe me as soon as these two trouble-spots get their shit together, and become more westernized, look out, because I think there are tons of girls over there just waiting to go porno!

Whores And Bores

Mary, why are some girls whores and some girls bores? I know so many chicks that fuck all the guys they can get their hands on, while others, damn, go through life maybe doing three or four guys, and that's it—and they are fine with that. How come some go one way, and the other to the other extreme? And is there some way we can make them all more whore-y? It would sure make it easier for all of us horny guys out here to get laid.

**Harrison B.
Dallas, TX**

MARY: It's in their jeans, and it's in their genes, Harrison! Truly, why some girls are naturally sexually curious and active from a young age through adulthood, while others are more reserved and look to nest down in a monogamous lifestyle, has mostly to do with what kind of person you are, and a lot of that is genetic. Of course the country, the culture, the family and friends you are brought up in and around all has a lot to do with it as well.

But ultimately all chicks make their own sexual choices and go with it because they want to—not because of any input they have had from the people and stuff around them. I know that from the time I was 18, I was horny as all heck, and while I was faithful at times in one relationship or another, in-between I fucked wherever and whenever I wanted to. It was just in my nature, just as it was to become a stripper, and now a pornographic movie actress. But I know lots of girls who grew up in my town, went to the same schools and hung out with the same people, and they won't spread their legs for shit—up to this very day! Not that there is anything wrong with it—each to her own you know. So from you angle Harrison I wouldn't waste too much time try to make any non-slutty girls into sluts—because in general you will just come away with a massive case of blueballs. Stick with the girls who like to have fun, and you and your cock will be a lot better off. □
